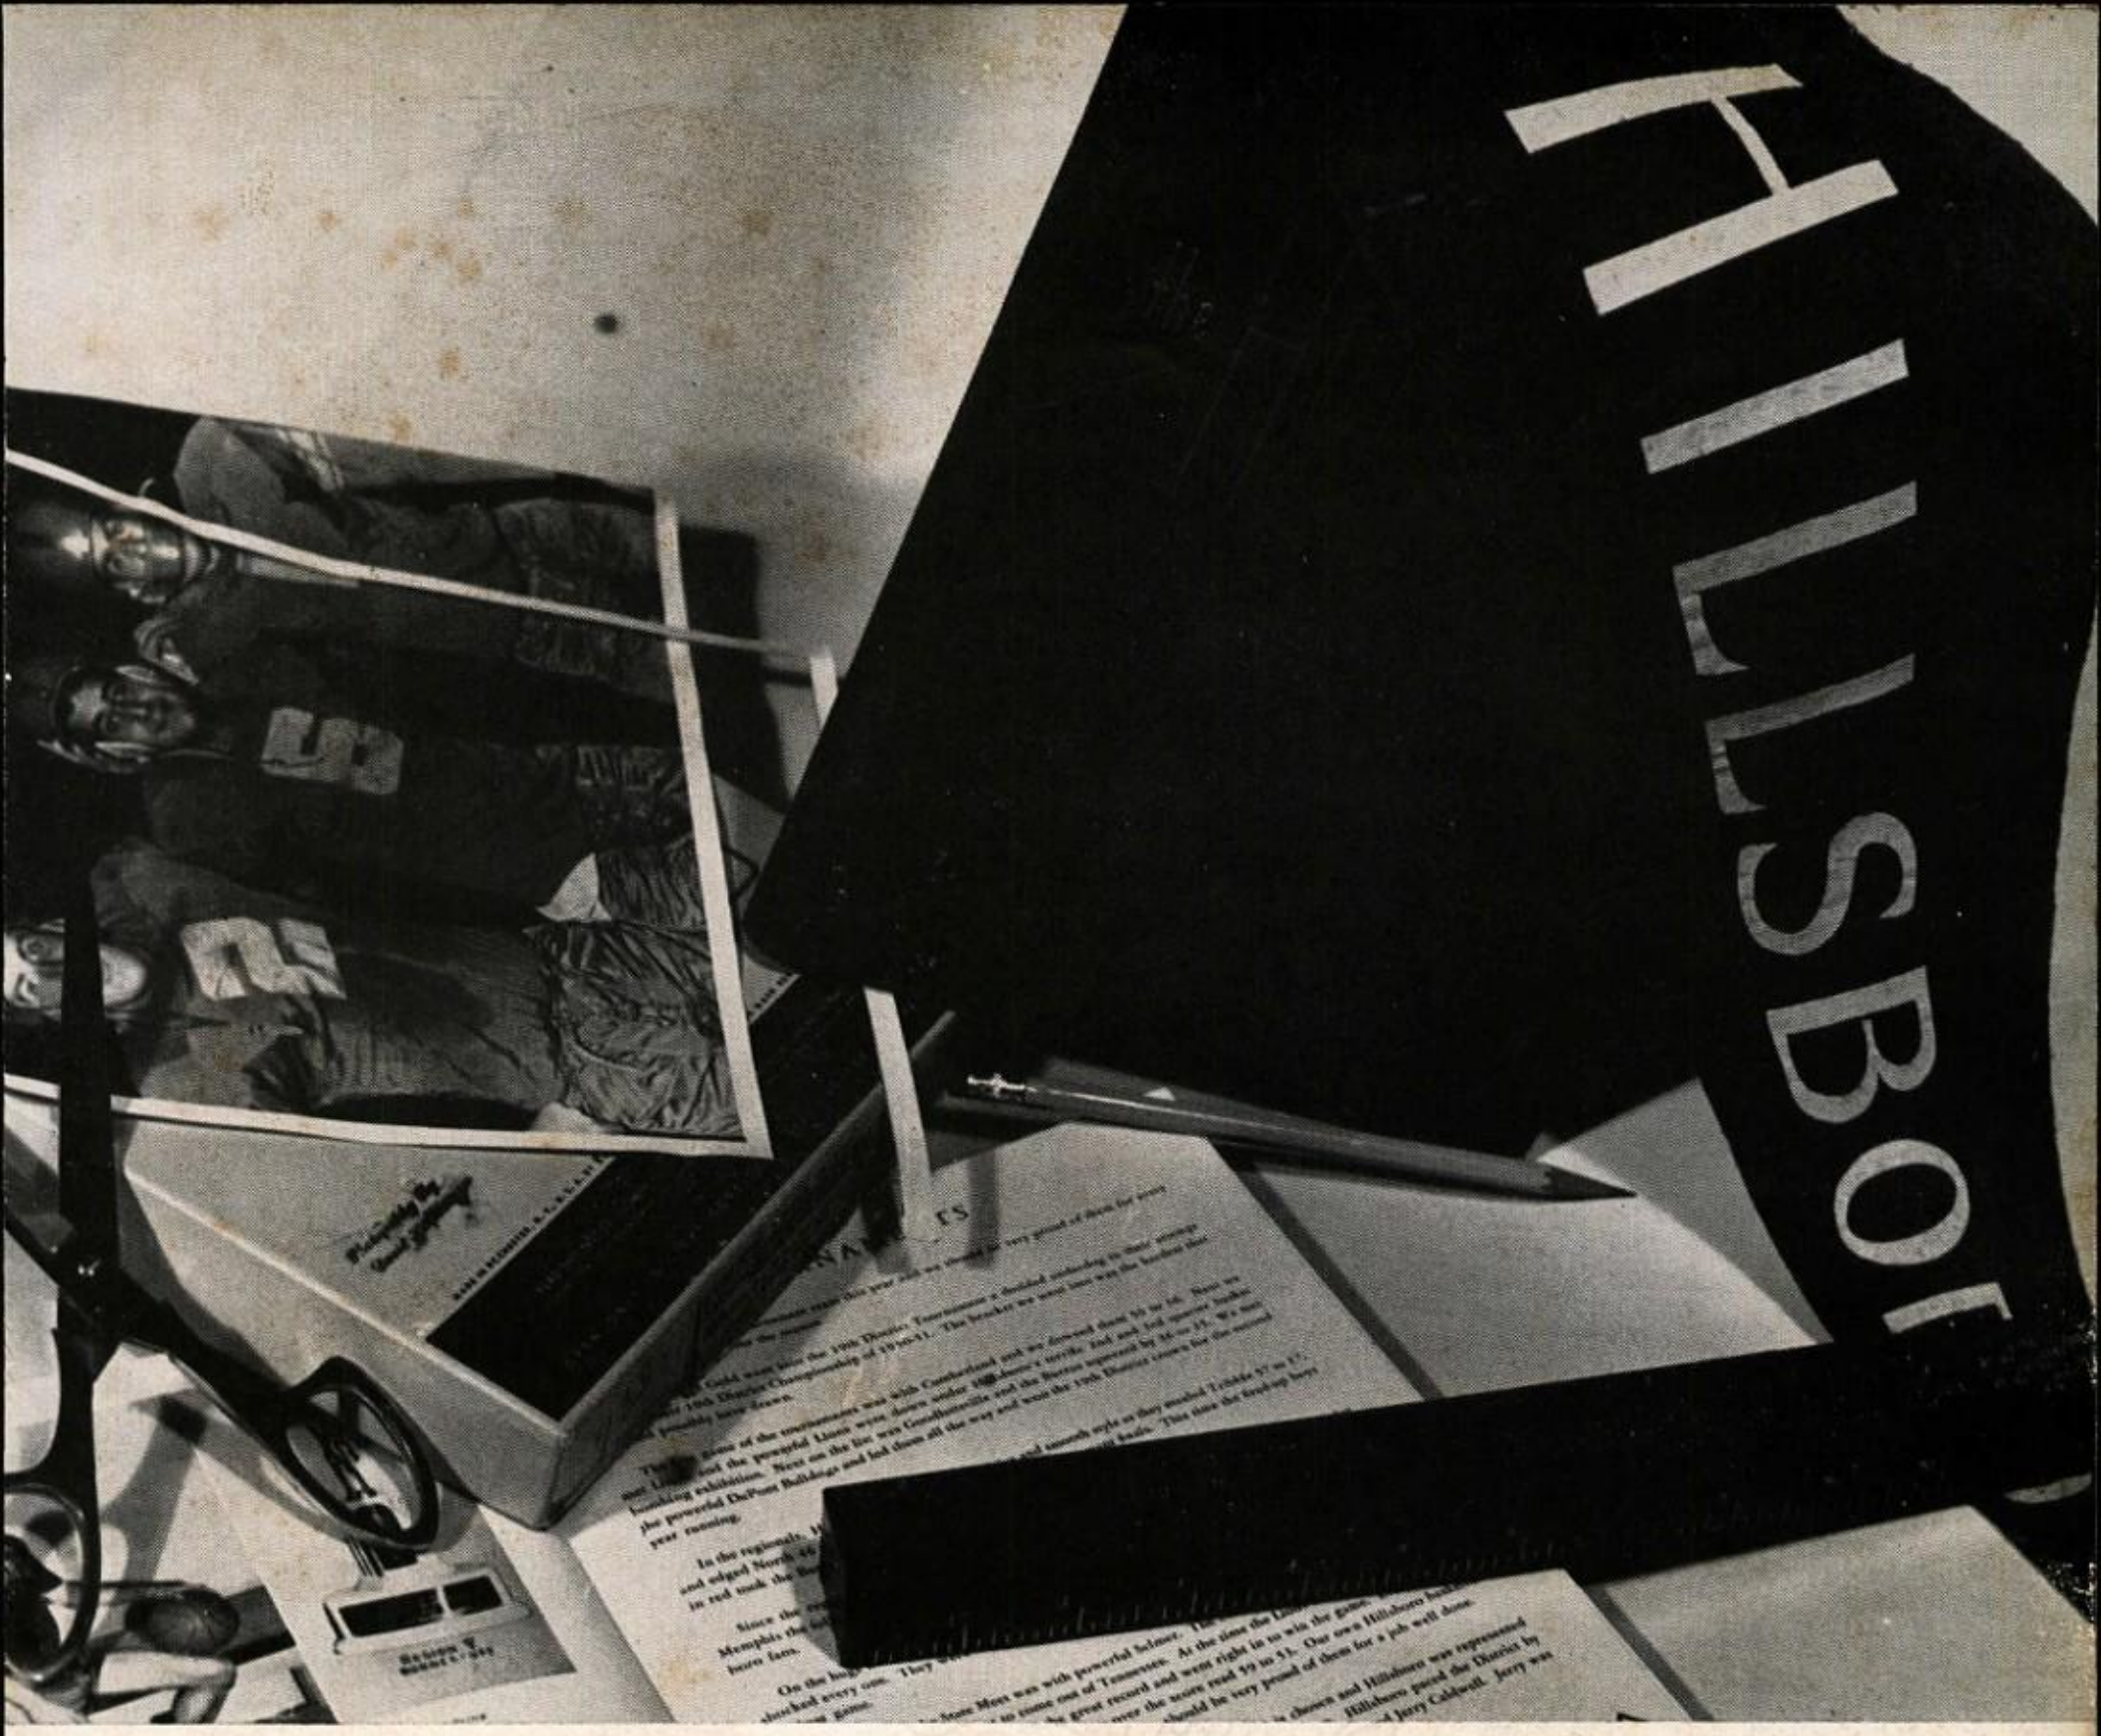
To the greatest girl, a real sweetie. Keep it that way always. Lots of Luck, always; "Cricket" Nancy Crockett

DEDICATION

Throughout the past year it has become evident to all Hillsboro students that our school is dependent largely on the generous help given it by our many friends.

It is with sincere appreciation that we dedicate this nineteen fifty-four *HILLSBURRO* to those who helped us through a difficult period.

To you, our many friends and helpers, we the senior class have given our best efforts as a small token of our gratitude for your devotion and support.



PURPOSES OF AN ANNUAL

An annual is built, not made. Constructed from words and pictures of the year's activities, its design reflects the individuality of the school producing it. Building a yearbook teaches the staff leadership, business management, and responsibility.

Outsiders see through an annual, as through a window, every day school life. Students and alumni find reminders in an annual of all the little happenings that have been their part in fashioning it.

We hope that this annual will fulfill these intended purposes for all who turn through its pages.

WE WERE DIVIDED—AND YET WE WERE ONE.

In spite of division of great and pressing con-

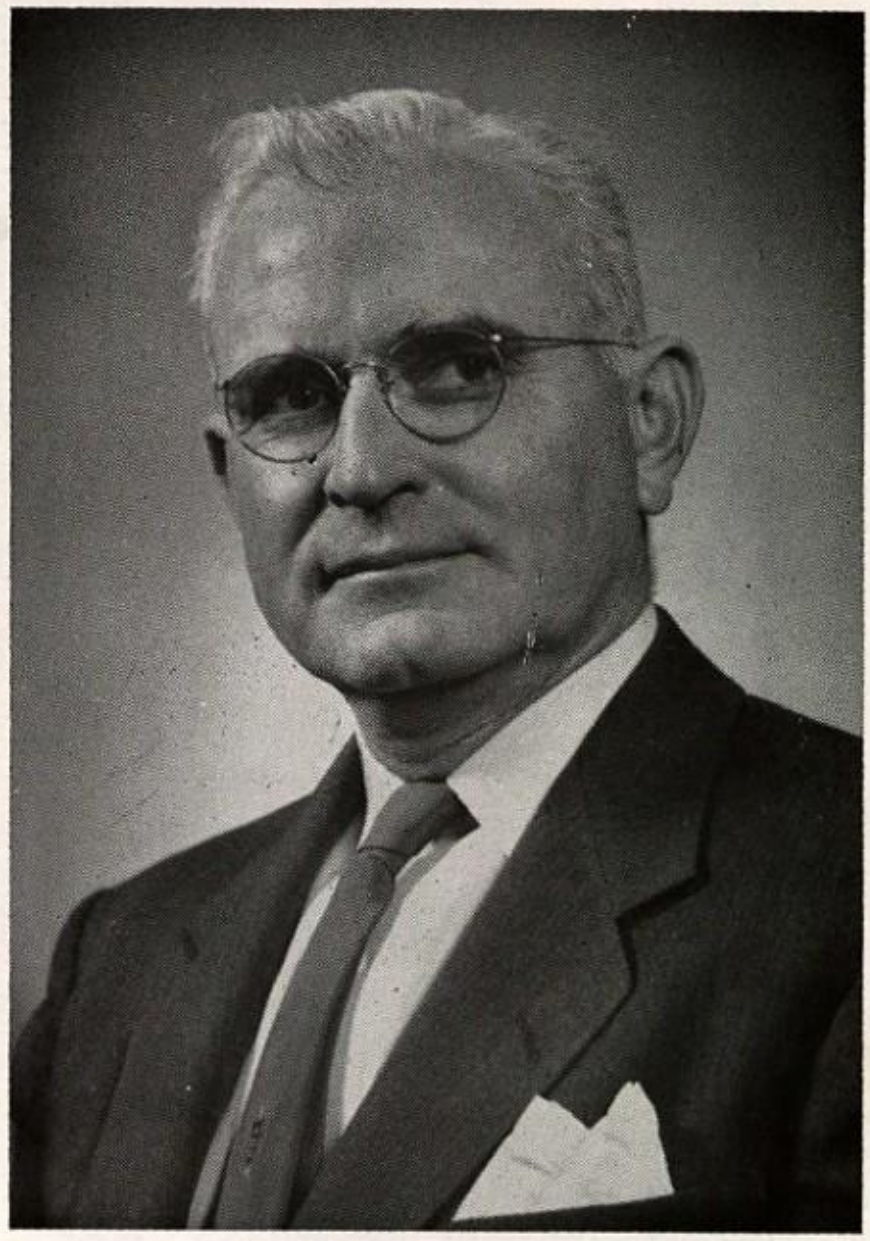
MR. JOHN KOEN, *B.S., M.A.*



During the past year our principal, Mr. John Koen, has proved himself to be a man of many talents. Besides serving as chief executive of the school, he also often acted as personal adviser to individual students, helping them become integrated in the school program.

Mr. Koen was always ready with a word of praise for those who had in any way worked for the school, and his encouragement spurred all Hillsboro on to greater efforts.

We greatly appreciate his untiring work toward holding the student body together, and feel that everyone found him to be an inspiration during this trying year.

The Folk Music Club was composed of students who enjoyed Hillbilly and Western music. Groups from the club appeared in assembly often and put on shows at the county elementary schools.

CAFETERIA STAFF

Members of the Cafeteria Staff, composed of volunteers, strove to keep Hillsboro's lunchroom clean, neat, and a pleasant place to eat. They promoted co-operation between the students and the lunchroom faculty.

FIRST ROW—Carole Campbell, Bettye Thompson, Judy Allen, Jodie Bibb, Kate Pritchett, Peggy Lauderdale. *SECOND ROW*—Marcia Nichol, Anne Holladay, Frana Jones, Richard Metcalf, Elinor Stannard, Gretta Ann Knestrick, Arlene Nixon, Mrs. George Mayfield—sponsor.

CHECK ROOM STAFF

Since the school has no lockers this year, a check-room for books was set up in the office. To the checkroom staff belongs the responsibility of checking the books in and out.

CLINIC STAFF

Girls who are interested in the health of Hillsboro's students make up the Clinic Staff. They are elected by the members of the previous year's staff. The girls on the staff are always ready to administer first aid in case of accident or illness.

FIRST ROW—Martha Lasley, Linda Champion, Elizabeth Anderson, secretary, Barbara Hollabaugh, chief-of-staff, Eleanor Lawson, treasurer, Lane Russell, Mrs. G. R. Mayfield, sponsor. *SECOND ROW*—Jane Richardson, Barbara Brown, Lois Paulk, Ann Hawkins, Anita Grayson, Nancy Bowers, Alice Gant.

OFFICE STAFF

Although Hillsboro had no girls' track team, the Office Staff could have qualified. Carrying announcements, sorting mail, and taking phone calls kept the staff running. Members also kept the office in order and aided the secretary.

LIBRARY STAFF

SEATED—Ann Dement, Jackie King, Dorothy Ezell, Patsy Morgan. *KNEELING*—Mary Alice Pruett. *STANDING*—Leila Dorris, Nancy Payne, Margaret Bearden, Katherine Vaughn, Norma Henley, Mary Evans.

Members of the Library Staff helped the librarian by processing new books, keeping the shelves straight, helping in the circulation of books, arranging bulletin boards and displays, and making the library as neat and attractive as possible.

One of the biggest jobs they had this year was helping to sort and classify the books we received in the book drive.

Honor Societies

And when (Hillsboro) shall appear great to you, consider that her glories were purchased by valiant men, and by men that learned their duty; by men that were sensible of dishonour when they came to act; by such men as, though they failed in their attempt, yet would not be wanting to the (school) with their virtue, but made unto it a most honourable contribution.

NATIONAL HONOR SOCIETY

To become eligible for membership in the National Honor Society, a student must maintain a scholastic average of ninety or above for two and one-half years. There may be no semester grade below eighty-five, and a satisfactory conduct record is also required.

The Society itself was composed of Juniors and Seniors who had met the requirements stated above, and who also were outstanding in character, leadership, and service. The Honor Society gave an assembly program last spring, which was meant to inspire others to strive to meet the Society's membership requirements.

The Quill and Scroll was an honorary journalistic organization which recognized upperclassmen who had shown interest and superior ability in journalism by their work on the *Hill Topics*. Its members were in charge of the program-selling concession at all home football games.

Tho' thou wert scattered to the wind, . .
—Tennyson

All your strength is in your union.
All your danger is in discord;
Therefore be at peace henceforward,
And as brothers live together.
—Longfellow

Although the time and place was changed, clubs gathered from the various parts of our "campus" on schedule, and worked in union without discord. Although the staffs had to scatter to all points of the compass to serve the student body, they helped to unite us, prevent discord, and caused us to live as brothers together. Hence our strength.

Only the Juniors of the preceding classes have known a Hillsboro united under one roof for a full year. However, they all have co-operated in making our disunited Hillsboro one school. They have as their goal developing a dynamic Hillsboro in the wonderful new building which is rapidly nearing completion. The union of community, faculty, and students which has brought these classes so far will insure a wonderful tomorrow.

We build the ladder by which we rise
From the lowly earth to the vaulted skies,
And we mount to its summit round by round.

STUDENT BODY OFFICERS

Leading us ably through this year of hardships were our Student Body officers. They were untiring in their efforts to hold us together as one functioning unit. Hillsboro looks forward to even greater leadership from our new officers, in the new building.

All the seniors have much to remember of their days at Hillsboro. The days have been happy even though we have been a scattered class with the difficulties of leadership in keeping our student body united. We hope that we have succeeded in this task and that the classes following us will benefit from our having been here.

Personalities

It is native personality . . . that endows a man to stand before presidents, or generals, or in any distinguish'd collection with aplomb . . .

—Whitman.

Although we were not on one campus, everyone knew these personalities, and that developed our sense of belonging.

HOMECOMING

The radiant queen who reigned over the Homecoming festivities on November 13 was Elinor Stannard. She and her court were named by the football team and were presented at the half-time ceremonies of the B.G.A. game.

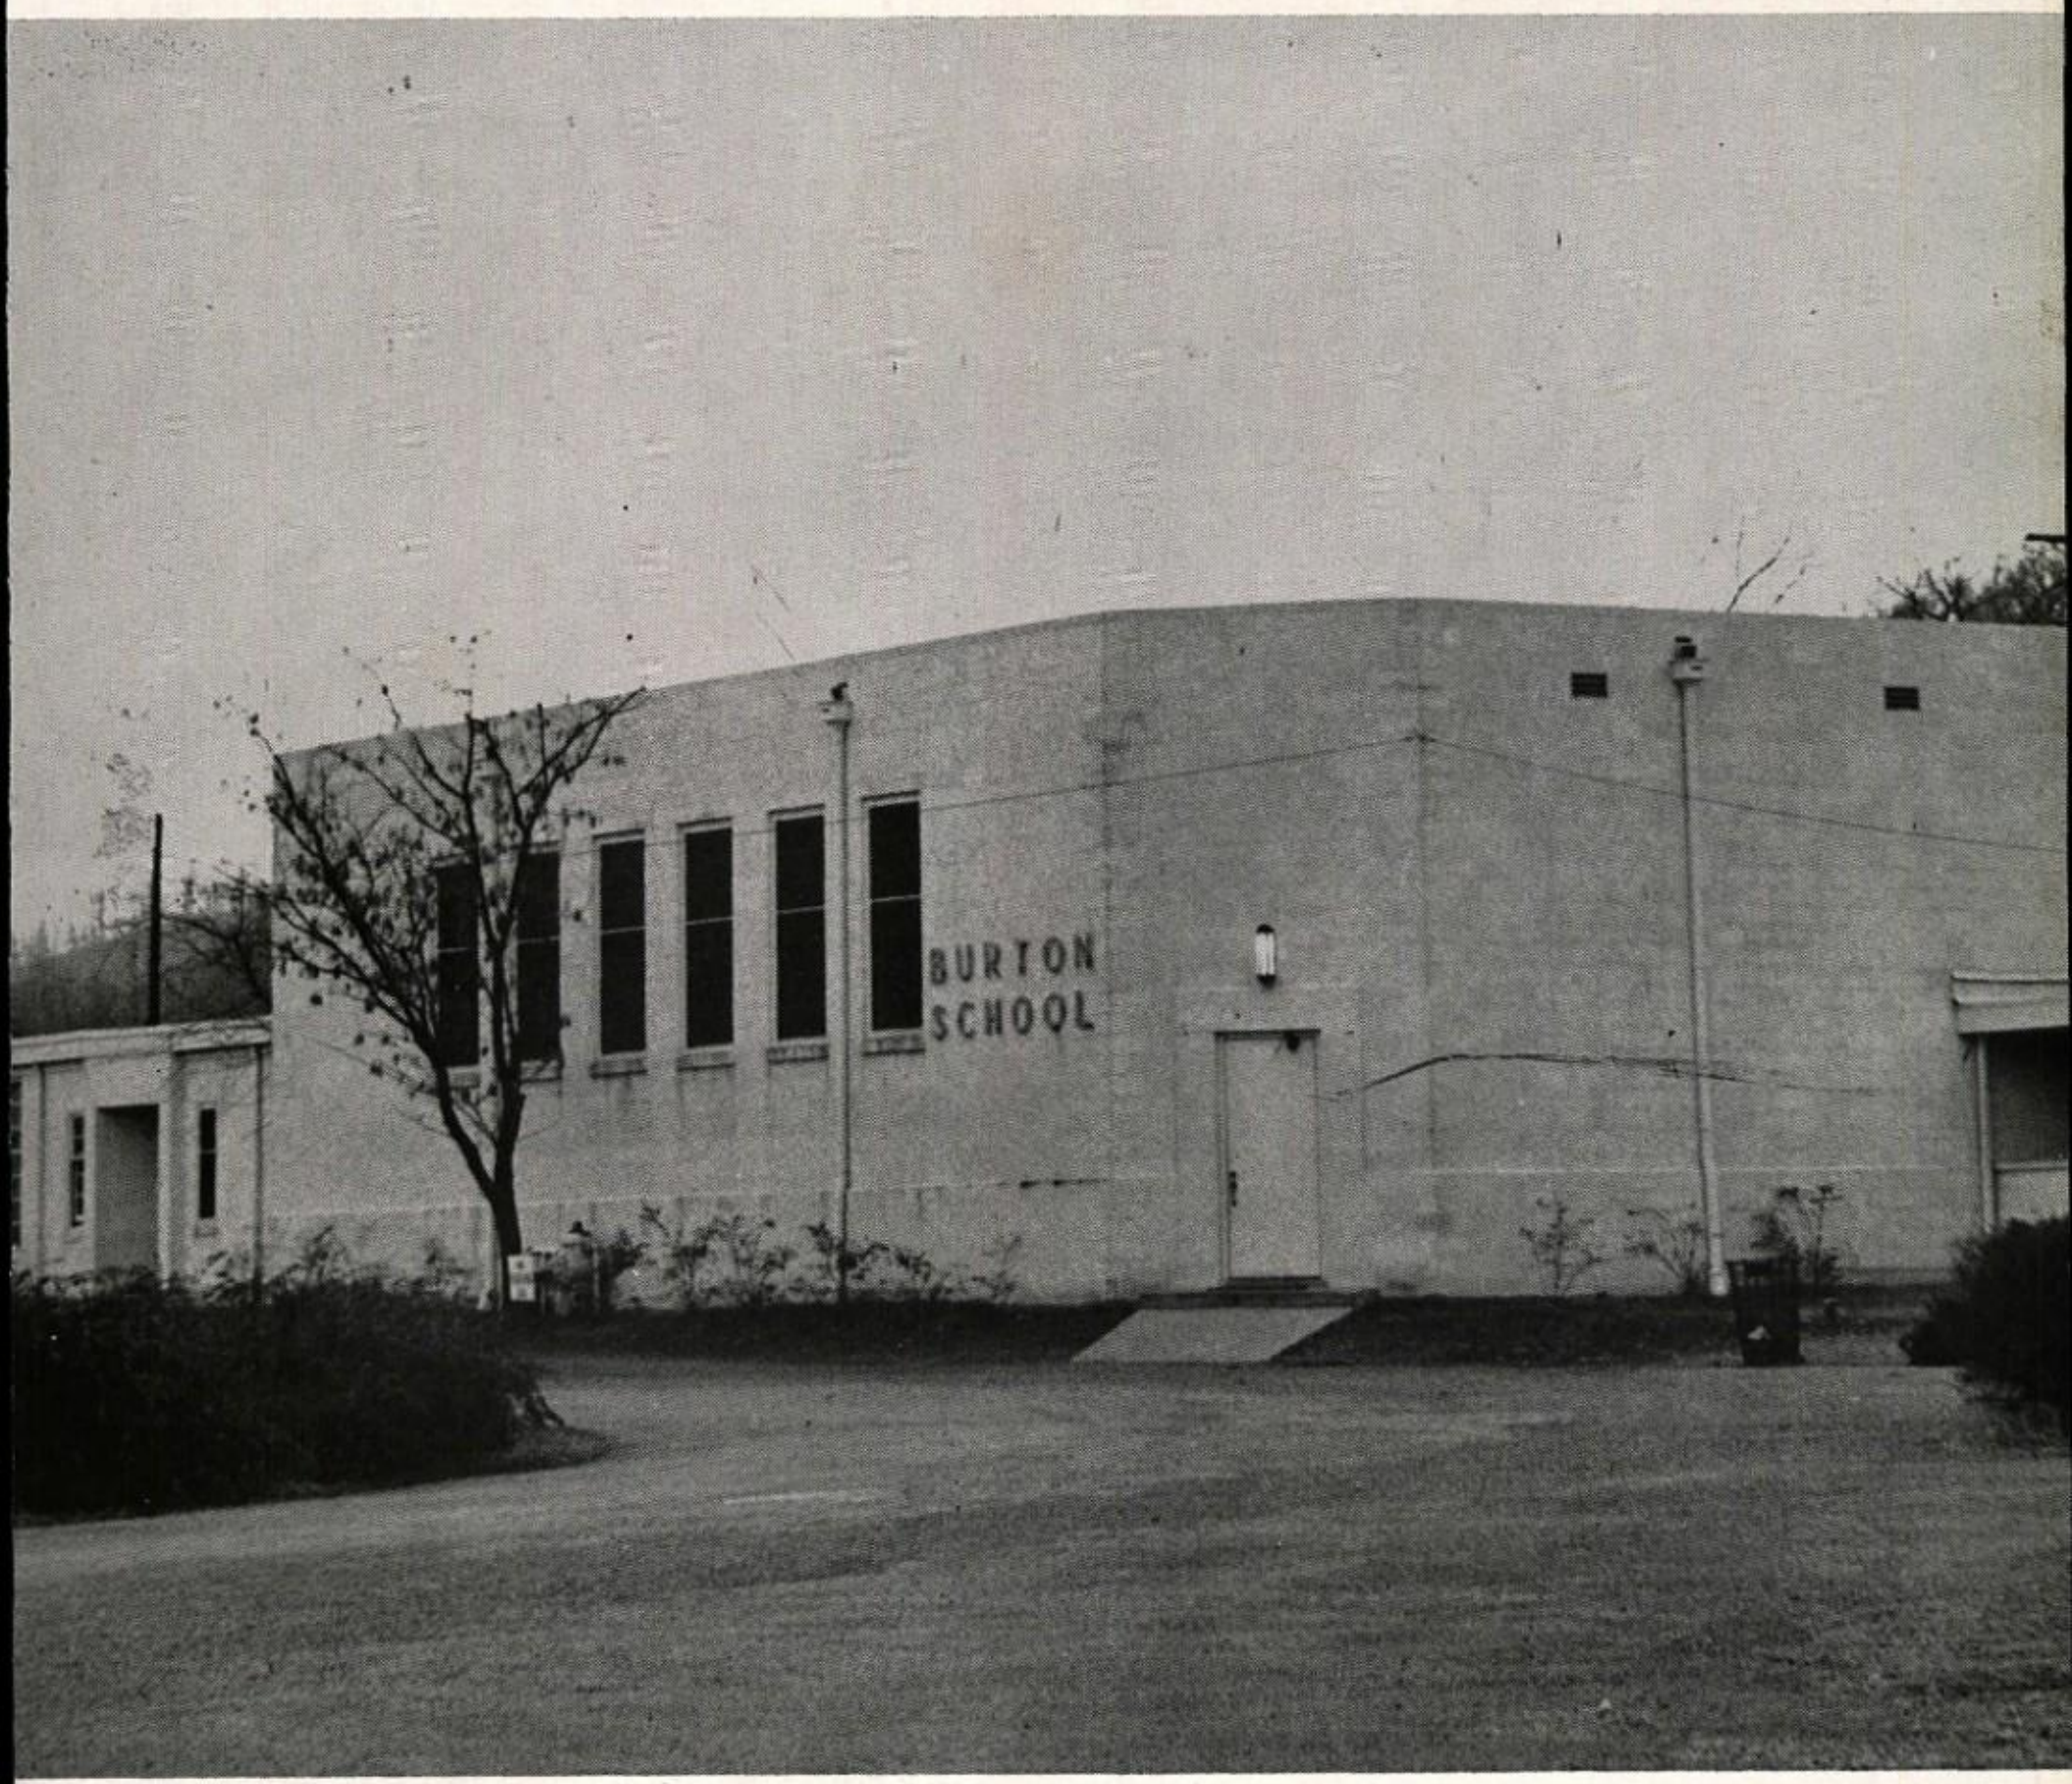
Activities

Activity and duty are not to be found by the roadside.
—Maeterlinck.

These persons did not loiter along the roadside for activity and duty to come along. They recognized duty and participated in activities with dignity and honor. They helped to bring us closer together by centering attention on the dramatic possibilities in learning situations.



FROM LEFT: Beverly Pynes, John Ferguson, Gretta Knestrick, Robert Webb.

Talent Show

The annual Hillsboro Talent Show was held at West High School, March 26. Dr. Claude S. Chadwick served as master-of-ceremonies. The ticket holders were not disappointed as there were seventeen well-rehearsed acts for their approval including vocalists, pianists, quartets, harmonies, s o l o s, bands, magic acts, guitar solos, and a hula dance.

The judges awarded the first prize to a vocalist, Robert Webb, and this gave him an undisputed spot on the local Ted Mack show. Second place went to Gretta Anne Knestrick, a dancer; third place winner was John Ferguson who played a harmonica and guitar. Beverly Pynes, another dancer, won fourth place.

Burro Blowout

On April 24th this year's Senior Class presented, under the direction of Mr. William K. Wright, the annual Burro Blowout. Master-of-Ceremonies Art Harding introduced each of the series of skits which left the audience well entertained and amused.

SILENT MOVIE

CHORUS LINE

I Hear America Singing was a staged concert of folk music, dances, and songs representing our various cultural heritages from Scandinavia to the Mediterranean, and including native Americana.

This colorful extravaganza was produced by the choral group which included members of all four classes, freshmen, sophomores, juniors, and seniors. Under the direction of Mrs. Johns, the students wrote the script, selected the songs, designed the costumes and sets, planned the dances, and presented the result as a television show.

In addition to gaining information about many phases of the entertainment field, they had fun! The combination of drama and music, two of the oldest arts, never fails in interest.

True glory dwells where glorious deeds are done

Their treasure, not the spoil of crowds and kings,
But the dim beauty at the heart of things.

—Little

These are a few of the many trophies won in all departments since the fire. Students in forensics, journalism, sports, music, art, mathematics, science and languages have earned honors and trophies to surpass the number won in all the years of Hillsboro's previous existence.

AWARD WINNERS

Among those who go quietly about each day's need, often unnoticed and unsung, are many Hillsboro students. Realizing that their contributions to our school and to the future are fundamentals of American progress, we recognize them here.

MARY ALICE PRUETT, CHARLES GRIFFITH, ESTHER HOLLIS

Mary Alice Pruett won first prize in the essay contest sponsored by the PTA, "What My Citizenship Means to Me." Charles Griffith won first prize with his essay "The Privileges and Responsibilities of a Citizen" sponsored by the Civitan Club. Esther Hollis won a trip to Washington, D. C. with her essay in a contest sponsored by Sewart Air Base.

Bill Thackston was elected outstanding Junior Citizen of Nashville and Tennessee by the Board of the Nashville Junior Chamber of Commerce.

Paul Stout and Pat Long were the winners in the United Nations competitive examination. Fairman Cumming, Milner Ball, and Bobby Alford were in the Tennessee honor group of the Westinghouse Science Talent Search.

Cameron Cooper was elected president of the Middle Tennessee High School Press Association. The first to earn Gregg shorthand pins this year were Carol Gardner, Barbara Partain, Joyce Anderson, and Jean Whelen.

Patricia Shelton was the Tennessee winner of the Stillman-Kelley piano contest and is eligible to compete in the contest of the National Federation of Music Clubs held in Dayton, Ohio this summer.

Alex Wade, freshman, won the $1,000 Lion Oil essay contest.

ONE-ACT PLAYS

Hillsboro was fortunate in having outstanding personalities in the interpretation of the drama. In addition to winning first place in the Davidson County One-Act Play Contest with *Where the Cross Is Made,* Hillsboro took first place in the Third District Interscholastic Literary League One-Act Play Contest at Austin Peay State College at Clarksville on March 27. The winning play was *The Short Cut* by Percival Wilde. Robert Dobson and Marvin Holdt composed the cast; Lannie Neal and Gene Paradise designed and constructed the sets. Marvin received recognition as the Best Actor, and Robert also won a place on the All-Tournament Cast.

Most of the action in *The Short Cut* takes place in a coal mine. Two boys who did much to help Hillsboro win First Prize with this play are Lannie Neal and Gene Paradise, who designed and constructed the sets which simulated underground conditions.

Two sessions of the Tennessee District NFL Student Congress are held at the State Capitol in Nashville each year. The congress is composed of student senators and representatives from the twenty-seven NFL chapters in Middle and West Tennessee. At the November meeting Joe Lentz and Carole Chitwood were nominated to represent Tennessee at the National Congress to be held in Greensburg, Pennsylvania, later in the year.

At April Session Joe was elected.

MRS. ETHEL IRICK, *Dietician*

Why has our poetry eschewed
The rapture and response of food?
What hymns are sung, what praises said
For home-made miracles of bread?

—Untermeyer

To Mrs. Irick we give thanks for a central meeting place where we refreshed our physical bodies, relaxed our mental efforts, and renewed our social contacts.

The cafeteria, the one place where we met everybody at least once during the day, the magnet that drew us together in fun, noise, orderly confusion, and comradeship; the cafeteria was Hillsboro.

THE BOOK DRIVE

MR. APPLE'S HOMEROOM JUBILANT OVER TRUCKLOAD OF BOOKS.

MRS. THACKSTON'S HOMEROOM DELIVERS BOOKS TO LIBRARY.

Early last fall the P.T.A. sponsored the book drive to replace the library books that burned at Hillsboro. The school's goal was set at 3,000 books. Mrs. Thackston's class took an early lead but was soon passed by Mr. Apple's homeroom. After much work and bitter competition Mrs. Thackston's room was declared the winner with 3,926 books. Mr. Apple's class was second with 3,370. Wayne Crawford, a member of the winning homeroom, led the school in number of books brought in. The two leading homerooms were credited with 91 per cent of the total for the entire school.

THREE ACT PLAY

Perhaps because of the divergence of our physical plant, our activities have been emphasized more than at first seemed possible. No part of our program has been neglected.

Overcoming almost insurmountable obstacles of place and time for practice, the cast of the three-act play, *Star Crazy*, gave an exceptionally good performance. Through the courtesy and hospitality of the faculty of Stokes School, their stage and auditorium were available and a capacity audience witnessed the production.

Miss Margaret Batey acted as director of the play, and was aided by Mr. W. A. Sherwood.

CHARLES GROOMS, first in colored pencil, State Fair.

Hillsboro would be a bleak place without our art department. The festive appearance of our classrooms and cafeteria has kept us aware that we are all ONE Hillsboro.

Together with the Home Economics Department, the Art Department held a Spring Exhibit of the year's work. Hillsboro was represented in the exchange exhibit of the International Junior Red Cross. We had entries in the county and city school art exhibit at the Artists' Guild in March and in the Centennial Club Exhibit of high school work in December, and three entries in the National Scholastic Art Awards.

ALGEBRA I
TOURNAMENT TEAM

Cameras cannot catch the drama, the excitement, the activity in the human brain as it meets, struggles with, and overcomes mathematical problems. No bands play, no cheering squad leads the roar of the crowd as the math team scores.

Yet after sports and entertainments are finished, and the tumult and shouting dies, the spectator leaves a structure made possible by mathematics, drives a car over a road to a house, all made possible by a knowledge of mathematics. The new building which will house our student body next year owes its construction to mathematical factors. The list is endless.

ALGEBRA II
TOURNAMENT TEAM

Therefore, Hillsboro is proud of our mathematics department and of Miss Allen and Miss Phillips whose thorough and efficient teaching have made the department strong, and of the newer teachers who have contributed to these high standards.

The math department offers a full course in business arithmetic, and four years of traditional college preparatory mathematics: algebra I, algebra II, plane and solid geometry and trigonometry.

Since 1952 Hillsboro has participated in the Middle-Tennessee invitational mathematics tournament held at Austin Peay State College, and has won the championship cup in algebra and advanced mathematics each year. Also each year, a Hillsboro student won the medal for the top individual score.

Burros of 1953 .... FOOTBALL SEASON

WON THREE, LOST FIVE, TIED ONE

Hillsboro's Green and Gold football squad of 1953 had courage and stamina that are always with a young team. Underclassmen were the rule rather than the exception. If these underclassmen continue to improve, as they have done under the patient and energetic guidance of Coach Bill Jones and his aides, the Burros of 1954 will be a truly superior team.

With ear-splitting support of the enthusiastic and faithful supporters, the Burros of 1953 attained an enviable record in that they were never held scoreless, although playing some of the best teams in Tennessee.

Always there was enough punch at the crucial moment to cross the opponent's double stripe in all nine games.

Highlights of the season from the standpoint of all-round team performance were the games against Isaac Litton, Central and Battle Ground Academy. In defeat, tie and victory, respectively, the Burros played all-out.

From the standpoint of a home field for games, the Burros were "orphans of the league" but our supporters followed the team wherever it went. All looked forward to a return to the home gridiron in 1954.

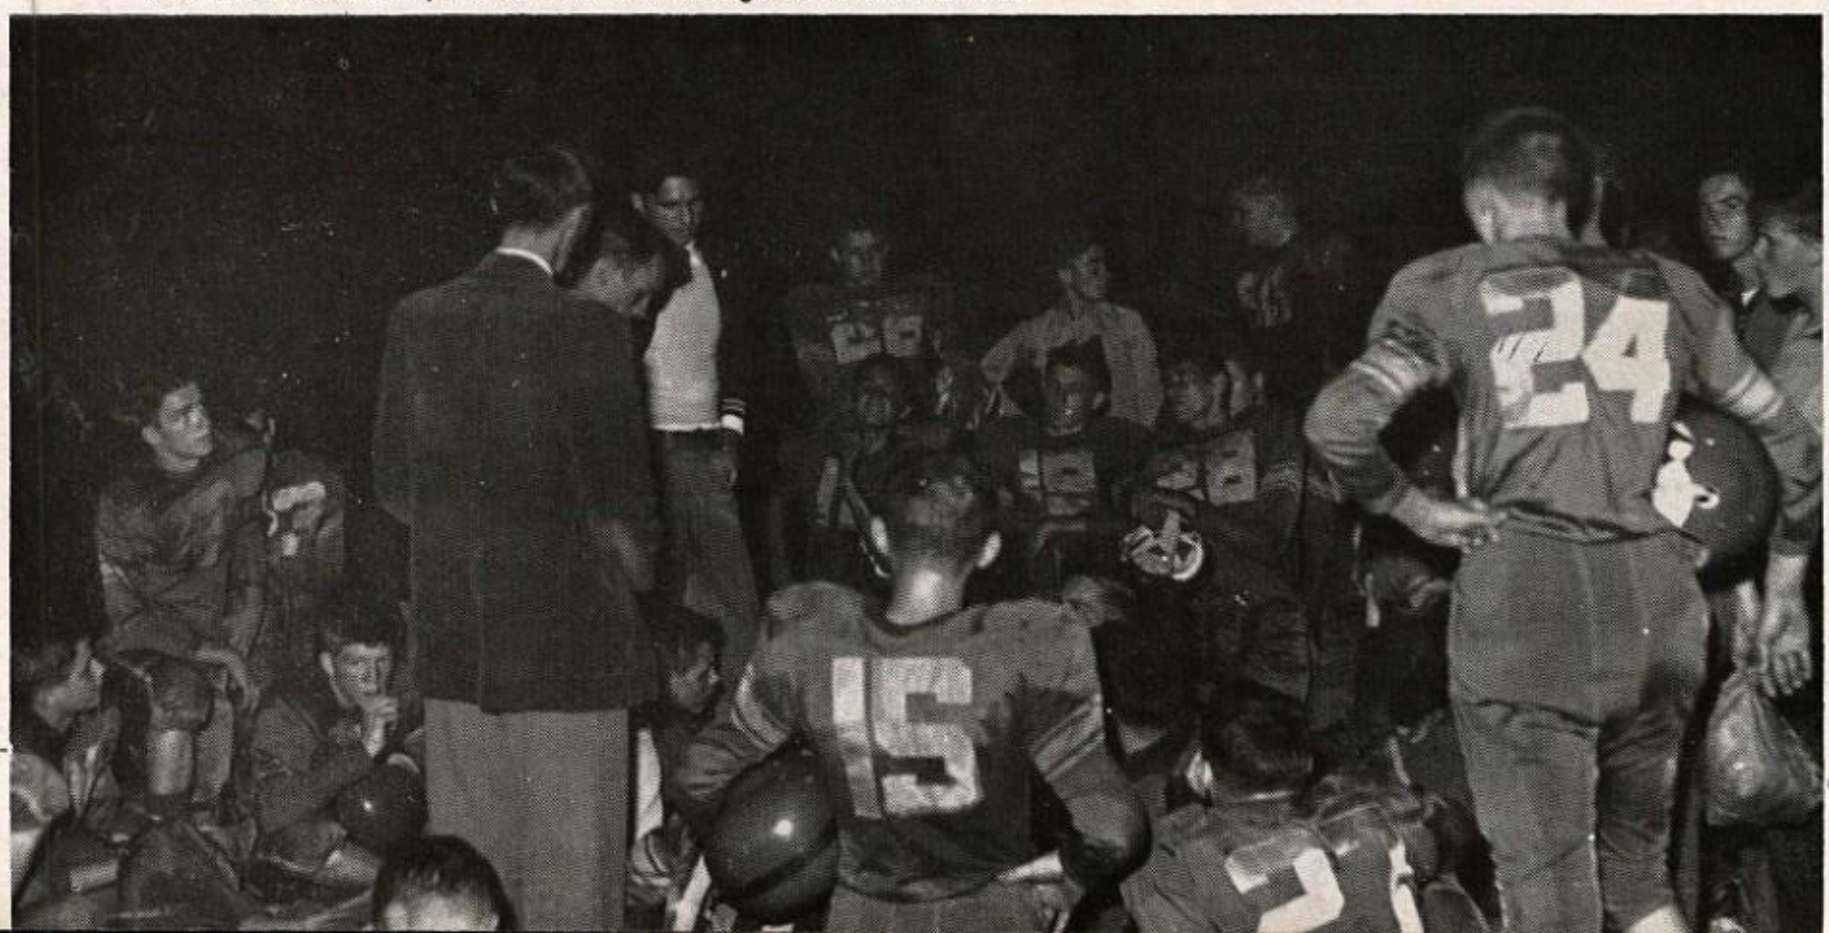
Between Halves of the Game: the tired, sore bodies rest while the players listen to advice given by Coach Jones. As a result of this counsel, the Burros were a strong second-half ball club.

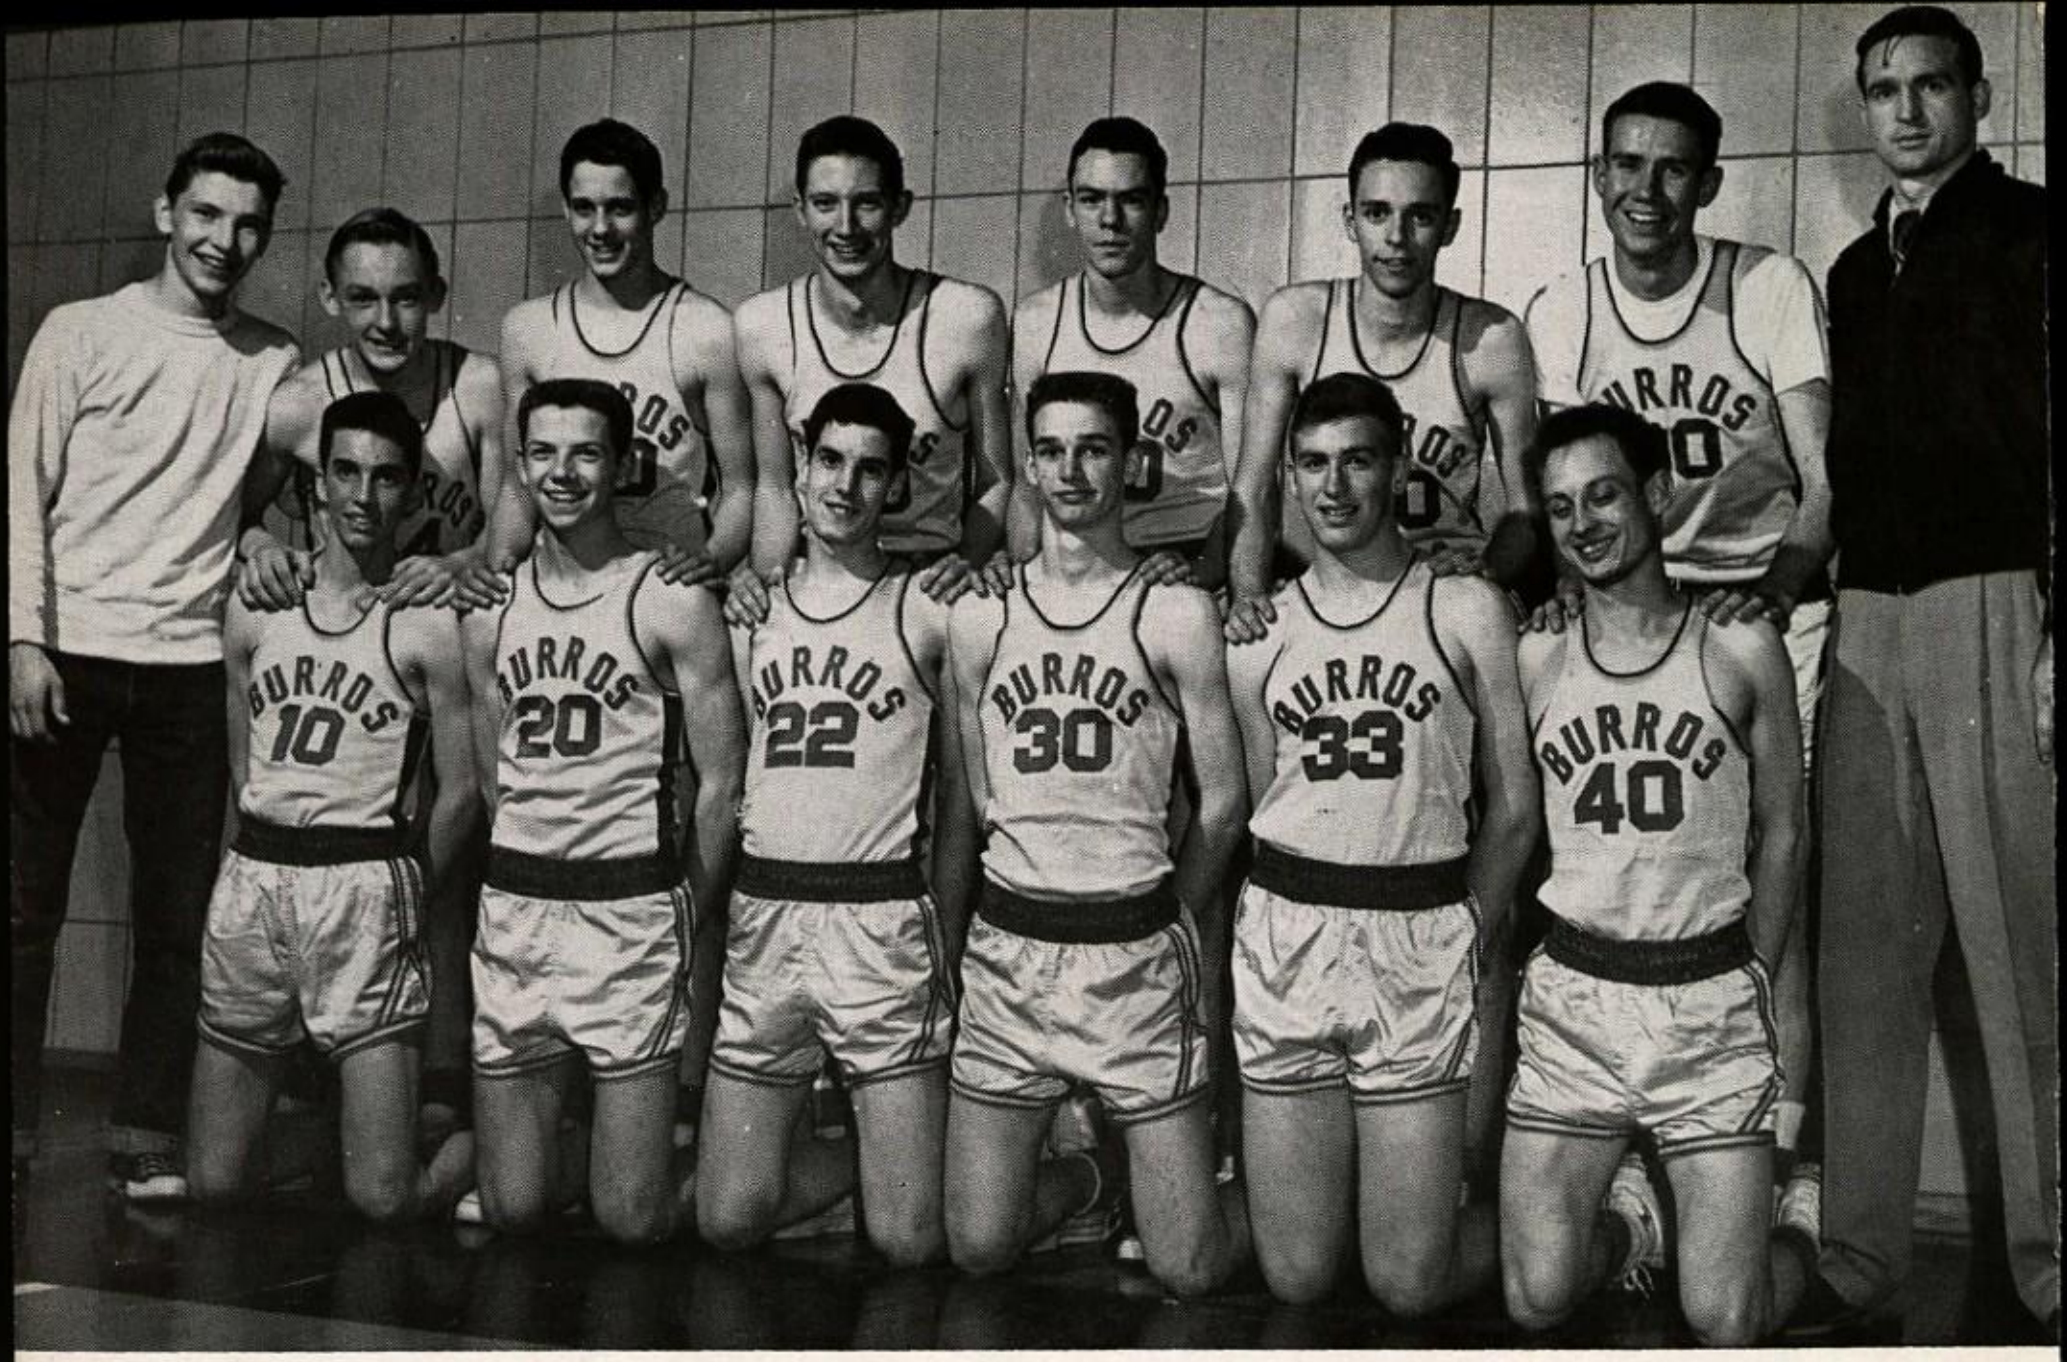


Boys Basketball

I like the game and want to play;
And through the long long night will I, unruffled,
Play . . . until the break of day.

Although the boys practiced at Central and the girls at the Jewish Center, they were OUR teams, and we COULD HAVE stayed all night to see them play.

CENTRAL GYMNASIUM.



Here are the Burros of 1953–54 who won the Nashville Interscholastic League basketball championship with 20 victories and one defeat in regular schedule play. *LEFT TO RIGHT: FRONT ROW*, George Gaffney, Leon Boucher, Eddie Hart, Jack Farrar, Gene Hensley, Wayne Wilson. *BACK ROW*: Al Goodpasture, Manager, Channing Workman, Billy Cochran, Henry Bland, Curtis Jones, David Johnson, Capt. Bobby Hatcher and Coach Bill Mac Jones.

VARSITY

Basketball reigned supreme at Hillsboro High this year as the mighty Burros roared through all opposition for 23 straight victories, including three 19th District Tournament contests. The entire season's record included a loss to Donelson in the opening game, and a Region V tournament defeat by Montgomery Bell Academy to close the year for Hillsboro.

Regular schedule play included 20 wins and one loss, earning undisputed possession of the Nashville Interscholastic League championship trophy for the first time in Hillsboro High history. It was a tremendous year for a squad that returned only one starting player from the previous year, stalwart Bobby Hatcher who was chosen Most Valuable Player in the N.I.L., and on all-state and all-district selections.

Hatcher, standing 6 ft. 5 in. scored 552 points in the entire season. Sharing honors with him on the all-star team for the 19th District was Henry Bland, also a senior, David Johnson, another senior played out his time as starting forward. Two juniors, Jack Farrar and Billy Cochran, held down regular positions and made weekly check lists during the season.

Other seniors on the squad were Gene Hensley and Wayne Wilson.

All other members are expected to be back next year, but they will be under a new coach, as Coach Bill Mac Jones is giving up Burro basketball coaching after establishing the most outstanding record in the N.I.L., a four-year record of: 93 victories, 23 defeats; two state tournament teams, one winning fourth place; and three regional tournament teams, one winning the championship.

Taking over varsity basketball duties for 1954–5 will be Coach Hale Harris, who has served as basketball B team coach, assistant in football and varsity baseball coach.

The Burro record for the last two seasons was more remarkable in view of the fact that the team had no home court, practicing and playing home games at Central High School.

Student support for the team was vigorous and sustained, with cheerleaders in action at all games.

BOBBY HATCHER RIPS FOR TWO.

Perhaps the most thrilling battle of the entire year was a hairline victory over DuPont, 1953 state champions, in the DuPont gymnasium. That struggle was nip-and-tuck from the opening tipoff and going became rough indeed late in the game. Bobby Hatcher fouled out with less than three minutes to play, joining DuPont's Donnell and Wright who were already out.

Channing Workman replaced Hatcher, but went to guard with Jack Farrar shifting to forward and Henry Bland taking over the center post. Workman hit a 20-footer to tie the score. Cochran followed with two free throws to put the Burros ahead 75–73. Bland grabbed a rebound after a DuPont desperation shot and the victory was won.

Close games prevailed during the latter part of the season, the 19th District championship win being a 51–49 decision over Donelson. Earlier the Burros had assured themselves the N.I.L. title by trouncing Isaac Litton 44 to 35 despite some intense "slow motion" basketball attempted by the Lions.

Announcement of Coach Jones' retirement from varsity basketball leadership came after end of the season. Principal John Koen said the move was mutually agreed by all concerned to help equalize the duties and responsibilities of the coaching staff.

The Jones record for four seasons with the Burro cagers showed:

	Won	Lost	Pct.
1950–51.....	16	7	.696
1951–52.....	24	7	.774

Jones Brings Burros Through With 23 Wins

Hillsboro 47, Central 37. The Burros got the tip and scored quickly. Central brought the ball down and set up a possession type ball with the plays being called with chalk and blackboard by Coach Garland Russell. We waited them out only to find ourselves behind at the end of the first quarter. Half-way through the second period Coach Bill Mac Jones called out the dogs. By half time we were two ahead. In the third quarter we led by 10 or 12 points most of the way. Hatcher and Bland shot well, but their rebounding was definitely the difference between victory and defeat.

Hillsboro 67, Donelson 54. In the Burros' first game with the Dons, they were soundly defeated. They were back for revenge. At stake was the leadership of the 19th District and the question of who would be top seeded in the tournament. Bobby Hatcher needed only five points to set a new N.I.L. record for points breaking Frank Davis' record. Davis was slated to guard Bobby. The first quarter started slow with Hatcher missing several crip-shots. We finally got rolling and we were not to be stopped. The rebounding was vicious between Davis (6–4) and Hatcher (6–5). When the final buzzer sounded the Burros were thirteen points ahead and Hatcher had tallied up thirty-five points to set the new N.I.L. record for the regular season with 479. Hillsboro was now topseeded in the 19th District Tournament.

Ably coached by Mr. Hale Harris, the baseball team this year has showed much promise. In their first game this year on April 11th, they defeated Bellevue 14–5. Although a lack of experience may handicap them as the season progresses, this can and probably will be overcome by the abundance of hustle and determination which is characteristic of the Burro Baseballers.

The Boys' Tennis Team this year is composed of Bobby Alford, John Kirkpatrick, Jack Farrar, and Jimmy Stooke. Although only Stooke was left after graduation last year, Coach Solon Apple seems to feel that a very successful season is in the making. And, the outlook for next year should be a bright one, as Alford is the only senior.

The Girls' Team, coached by Miss Katherine Weis, should also enjoy a fine season. Besides returning letter-earners Berenice Miller and Billye Joan Brothers, the squad is composed of four other talented girls who should add initiative and spirit to the experience already present.

Good luck to the Burro golfers.

Taking its place in the spring sports program renewed with the greatest interest ever, was the Track Team. Coached by Mr. Bill Jones, the Burro Thinclads have shown great promise. In their first two meets the inexperienced Burros compiled enough points to finish in second place in both outings. Although hampered by the lack of a cinder track of their own on which to practice, all Hillsboro expects great things of the team this year, and wishes them the best of luck.

The Girls' Basketball team this year was a good one, although it suffered greatly from lack of experience. Boasting a starting team of three sophomores and three juniors, the Burros only had three seniors on the squad.

Although very scattered, they made good use of the practice facilities offered them by the Jewish Community Center, and the home games were played at Central.

The Burros were represented by Nancy Headden and Yancy Richardson on the second team All-Nashville and Jere Seiberling got Honorable Mention All-Nashville.

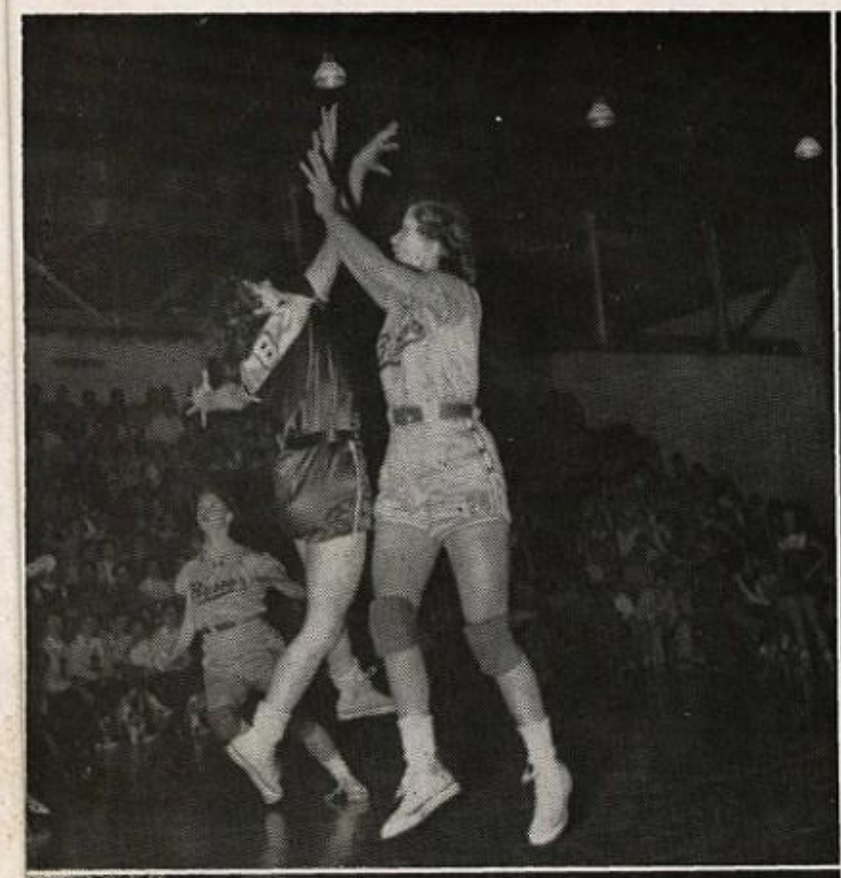
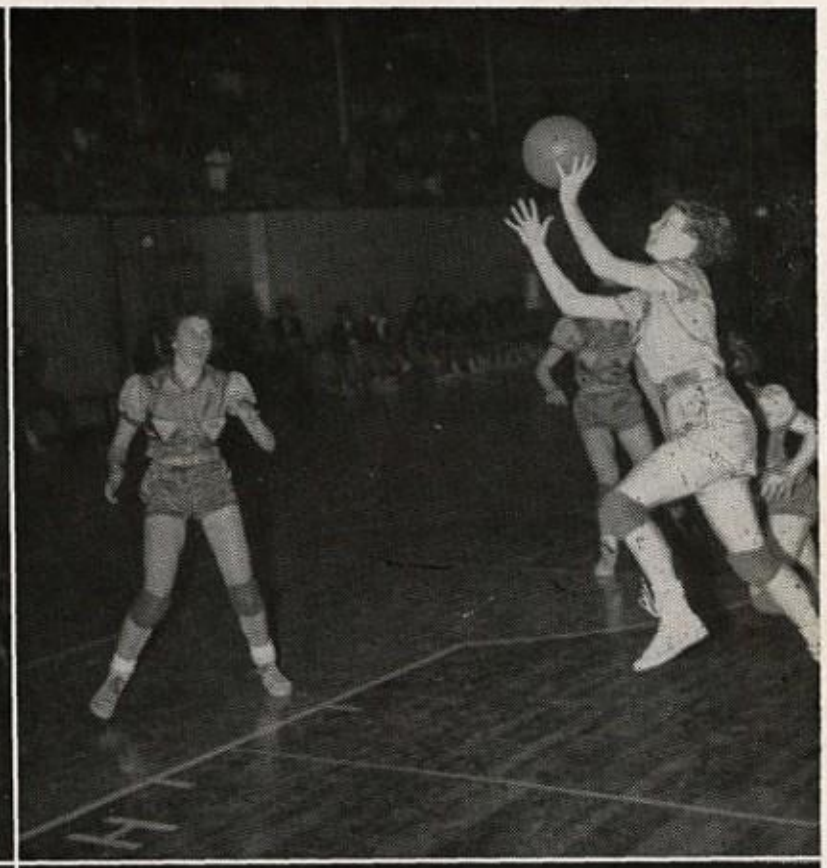
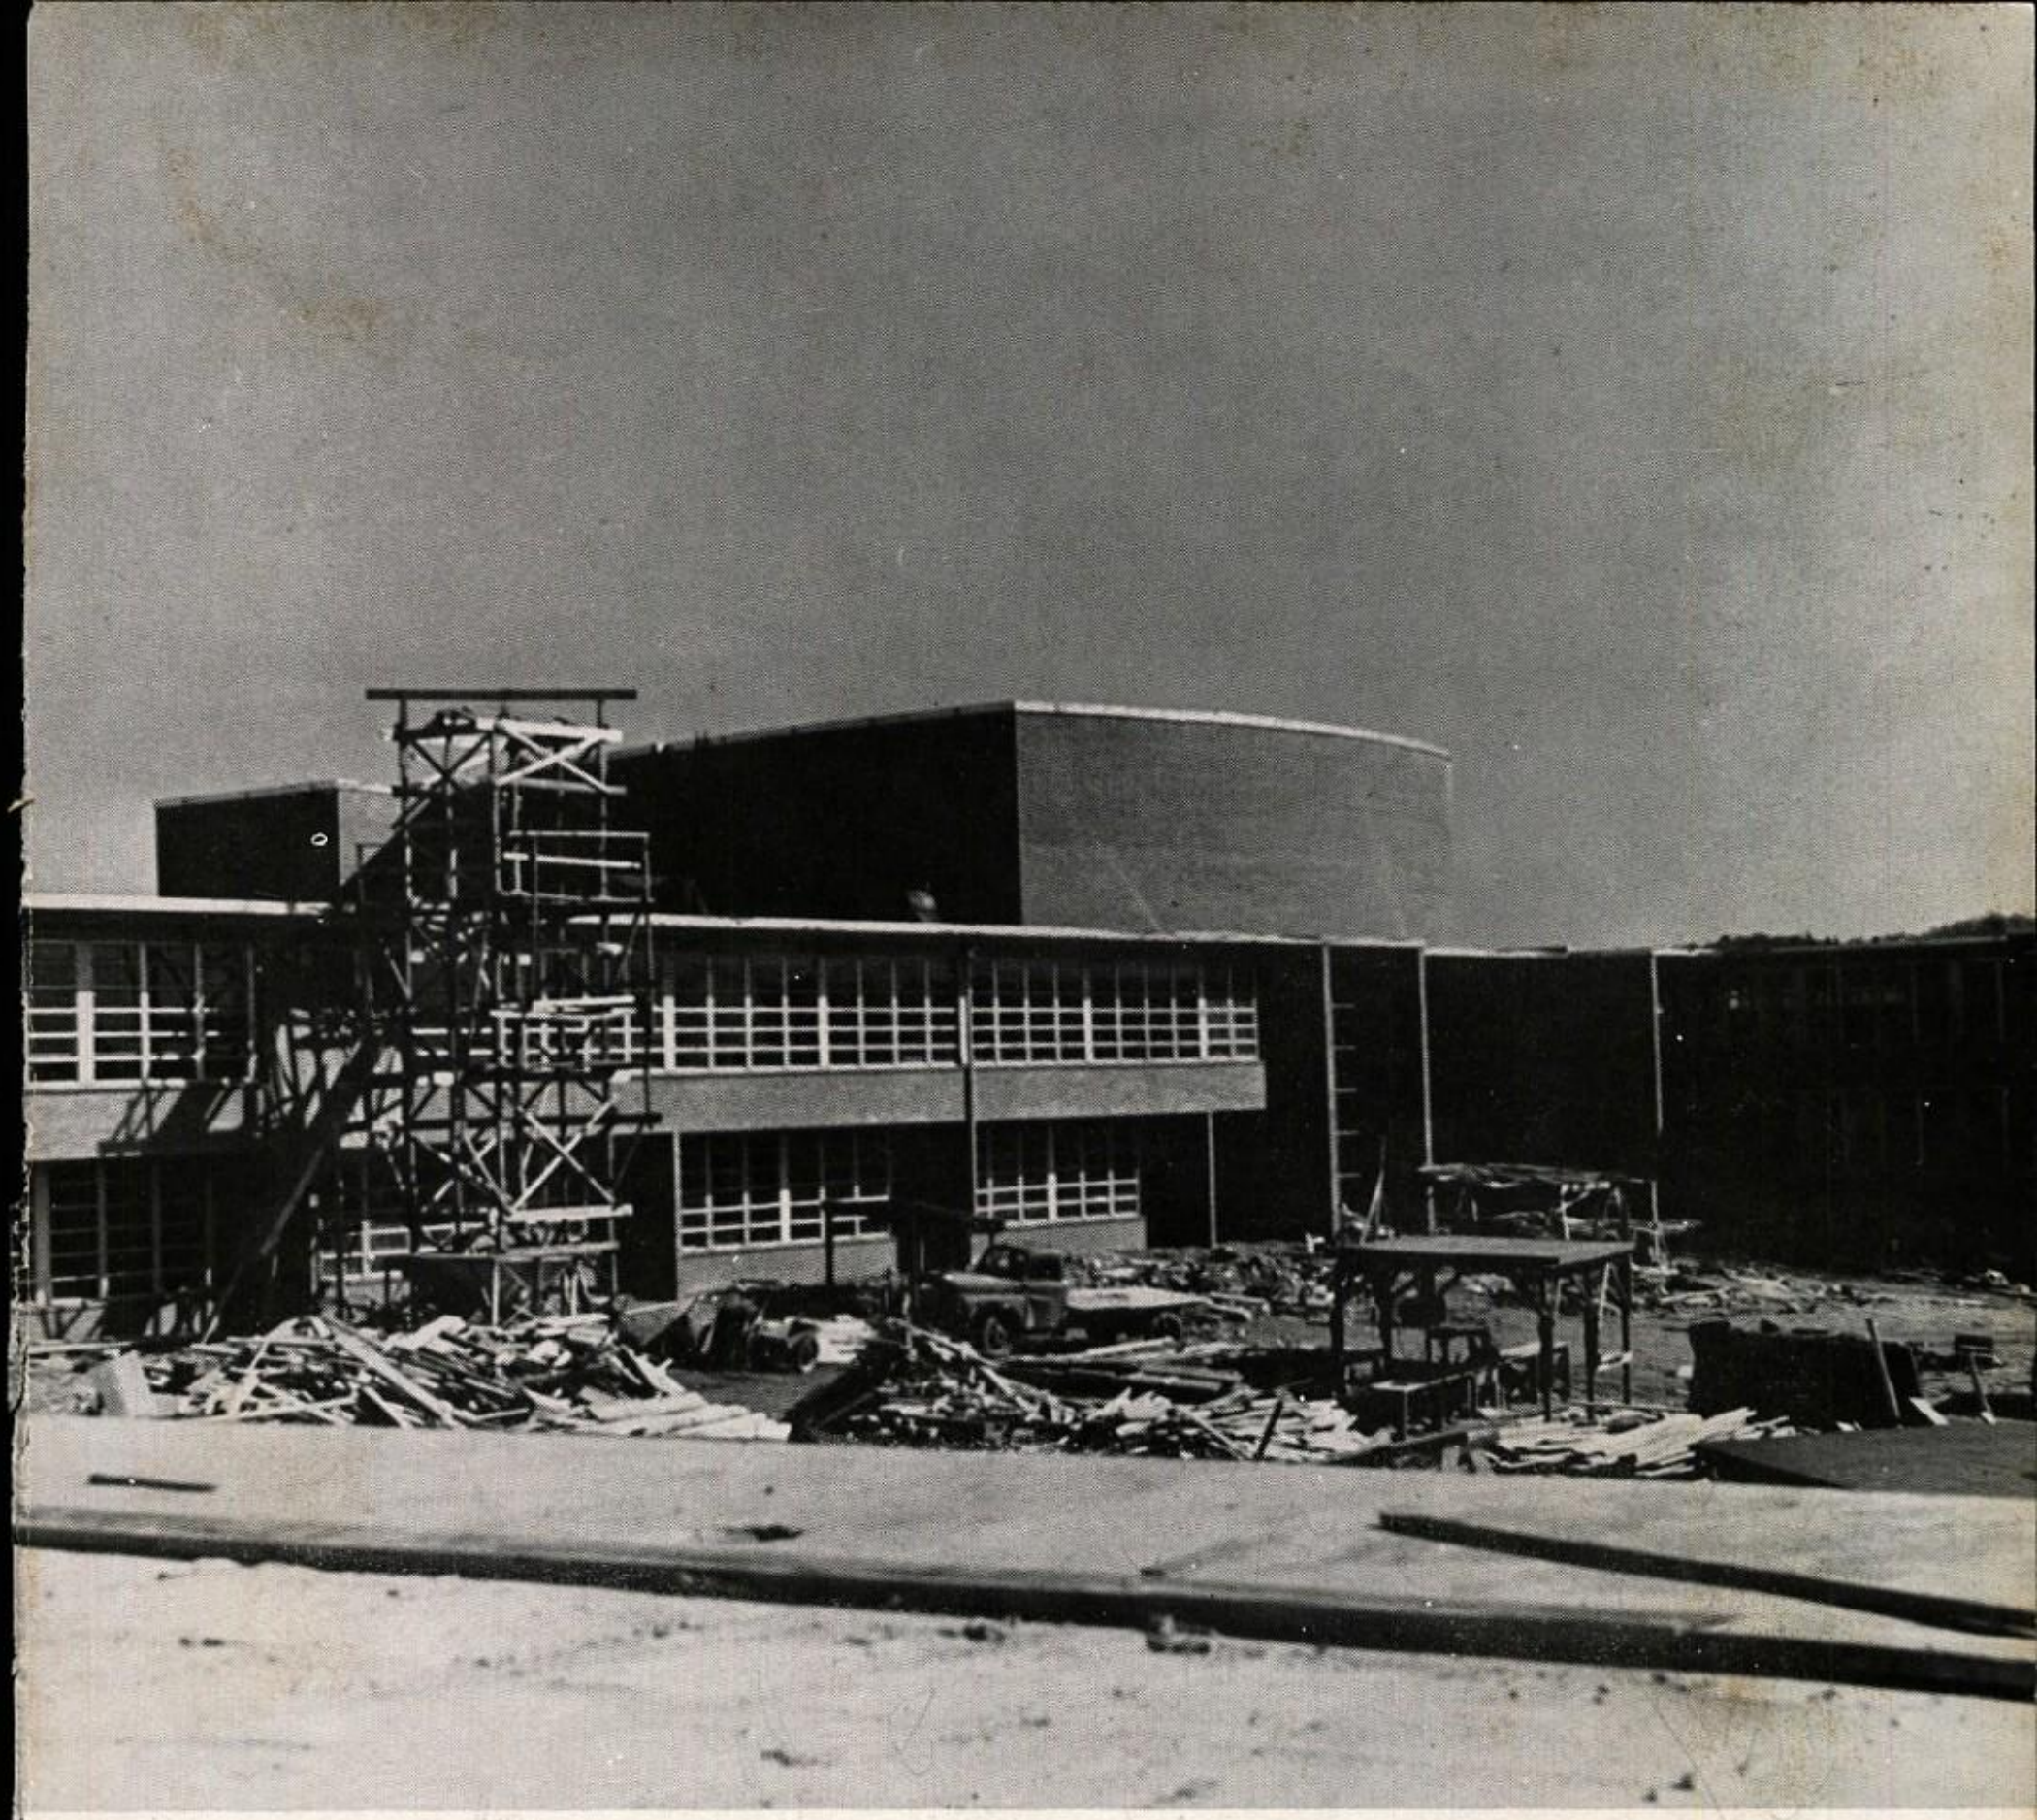
19TH DISTRICT TOURNAMENT

Hillsboro.....34 Goodlettsville.....39







Hillsboro has known both joy and sorrow the past two years. Hampered by widely scattered classes and activities and yet held together by a pervading spirit of co-operation, we have weathered a storm that would have destroyed many schools. And now, our future is bright. Soon all students and faculty members will be under one roof, together with the school spirit and traditions which will make up . . . . .
